

Candidate's Full Name: *Jack S. Slaughter, CCM, CCE*

Candidate's Present Club: *Carolina Country Club*

Year Joined CMAA: *1988*

Around 2006, after serving as President of two different Chapters, I was preparing myself for further service to our Association and industry by running for the National Board of Directors. God had a different plan for me and how I could serve! Instead, my wife April and I got involved in the Foster/Adoption program for the State of Kentucky and were ultimately led to foster and adopt three children who all came from backgrounds of abuse or neglect. Now 13 years later I find myself available and wanting to serve the Association and industry that has provided so much for myself and my family.

I have always been a cheerleader for our volunteer leaders, National Staff, and all that CMAA provides to its membership and the industry. I think we all recognize the value of continuing our leadership in professional development, networking, and providing resources that help make our managers and the clubs they lead successful. Recent Strategic initiatives are on target and I would offer support in making sure our Association makes consistent improvement in being the leader in providing resources for managers, clubs, members, and future managers. I believe our focus on technology improvements including data resources that can help us all make better decisions and be better leaders is crucial. I also strongly believe that identifying, pursuing, developing, and recruiting the next generation of club professionals is essential. Expanding and enhancing our appeal to all who may choose to make this a career, embracing diversity and the new and fresh outlook that would be a natural output of that diversity. Lastly, my lifelong mission has been to work within the industry to improve the work-life balance and the quality of life for club professionals so, if elected I would hope to initiate more programming to help expedite this shift in our professional development. I am honored to be considered to serve on our National Board and am committed to working collaboratively and giving the time and effort to serve to the best of my ability.

Chapter Activities

- 2021 Past President, Carolinas Club Foundation
- 2020 President, Carolinas Club Foundation
- 2019 Vice President, Carolinas Club Foundation
